Puppies and kittens must be 16 week of age before they are able to board at NTPR.

Geriatric pets (large dogs over 12 years/small dogs and cats over 14 years) have a more difficult time being away from their families and often not able to have updated vaccines, so we ask that you consider boarding with your veterinarian, who is better equipped to handle their special needs.

Fleas and ticks: Your pet is required to be free of fleas and ticks and be on a monthly treatment plan. If your pet is found to have fleas or ticks, we will attempt to contact you to discuss your options. If we are unable to reach you, we will administer Capstar and give a flea bath at your expense.

Medications: If your pet requires medication while in our care, we will be glad to administer them. A \$3 flat rate a day will be applied to your invoice. We ask that all medication be in its original bottle, so that we are clear on what it is and the quantity that we are administering. Medications should not be included in pre-packaged food.

Pet Restrictions

Pets that we can't board are;

- Aggressive or feral animals that are unable to be safely handled by our Pet Care Staff
- Females that are pregnant or in heat

- Pets recuperating from recent (past 10 days) invasive medical procedures

Daycare

Parents, daycare is a place for social dogs to play, socialize and interact in a off leash supervised group setting. Please acknowledge that dogs can be unpredictable in behaviour and be aware that there is some risk of accidents (scrapes, nicks, tender paws ect from running and playing hard) that can happen in a free play setting, when dogs are being dogs.

Dogs that demonstrate signs of aggression will be separated from all other dogs and possibly be denied further entry into daycare.

Puppies are welcome in group play after 16 weeks of age but we ask that at 7 months of age they must be spayed or neutered to be able to continue in a group setting.

Daycare hours are Monday-Friday 7:00 am-6:00 pm and Saturday 8:30am- 12:30pm.

*Reservations may be required before and during holidays

Mom and Dad, we are all pooped by the end of the day, late pick-up charges for day care will begin at 6:00pm per the rate of \$5 for each 5 minute increment.

Thanks for being on time!

Please inform us if an alternate pick-up person is coming for your pet(s). That person must be listed in the Emergency Information Section in the Guest Information Form.

Guests will not be allowed to participate in daycare until 30-60 minutes after mealtime to prevent bloat.
